What is this about?

We want your input on Turlock Transit—whether you are a rider or not. What do you want us to prioritize? If you don't currently take the bus, what would entice you to give it a try? Tell us at turlocktransit.com/MyWish.

This effort is part of the Turlock Transit Short-Range Transit Plan (SRTP). The SRTP will provide a roadmap for transit investments in Turlock over the next five years.

Ultimately, the goal is to keep improving Turlock Transit. That means enhancing bus routes, making bus schedules more convenient, and providing a seamless rider experience.

Can I provide input in person?

Yes, we would love to see you!

Six reasons to try the bus

1. It gives you access to important destinations in Turlock, like jobs, school, and shopping.
2. It's easy on the wallet: no gas, insurance, or car payments.
3. It lets you do other things while traveling, like reading, watching videos, and checking email.
4. Walking to and from the bus stop—or rolling in a wheelchair—is a great source of exercise.
5. Taking the bus is an environmentally friendly choice.
6. Never worry about parking.

What's the project timeline?

We are at an early stage in the process. The final plan will be delivered early in the fall of 2019.
